

Progress report

Rafkhat Yuvashev 200103036

Ulagat Nauryzbay 190103220

Eldar Sharapiyev 200103253

We did this amount of work this week:

We improved the filter while it's not completely finished, but it's in development. We also fixed some bugs, added some small tricks and are ready for midterm, next week we will record a video.
