

Progress report 3

Yuvashev Rafkhat 200103036

Sharapiyev Eldar 200103253

Nauryzbay Ulagat 190103220

This week we've been making minor improvements to the site, fixing old bugs, and adding minor features. We also decided to change the visuals of our site, making it more intuitive. We added animations so that when you hover over an item, it will enlarge, we added features for buying things.

Eldar Sharapiev 200103253 - adding functions and checking the site for intuitiveness and functionality, as well as the front end for the login page

Rafhat Yuvashev 200103036 - search and correction of errors, defects, adding the frontend for the home page

Ulagat Nauryzbai 190103220 - fixes API, makes migration to SQL
