

Progress report

Rafkhat Yuvashev 200103036

Ulagat Nauryzbay 190103220

Eldar Sharapiyev 200103253

We did this amount of work this week:

We fully prepared for midterm, and we also improved the search, filter, rating, and product information on the site. We also fixed bugs we had before. Completely tested the site, fixed all the bugs, malfunctions, visual errors and "cleaned" the code.
