

Progress report 4

Yuvashev Rafkhat 200103036

Sharapiyev Eldar 200103253

Nauryzbay Ulagat 190103220

This week we finished preparing for the first midterm exam, and we also completed the necessary requirements.

The changes we've made: We've added search, we've added the ability to flip pages,

Initially there were problems with each of these features, but in the end we read the books and were able to do everything perfectly.

All in all, considering all these changes, it is safe to say that at this stage the project is ready
